

WORKSTEAD

INSTALLATION INSTRUCTIONS | HELIOS TABLE LAMP

GENERAL NOTES

This luminaire is CSA listed for installation in dry locations.

When installing luminaire, conform to all applicable local electrical codes, ordinances, and the National Electrical Code (NEC).

For your safety and proper operation of luminaire, read and understand all instructions completely before commencing installation of this luminaire.

Carefully unpack the luminaire and inspect for damage.

Use the enclosed gloves when handling the luminaire.

This product is rated for one (1) 60W max E26 G25 bulb (or E27 G80 bulb, depending on your location).

Save these instructions for future reference.

WARNING

This luminaire uses a polarized plug. Do not attempt to defeat this safety feature.

INCLUDED COMPONENTS FOR INSTALLATION

(1) luminaire body

(1) reflector

(1) E26/E27 bulb

(1) Allen wrench

ASSEMBLY AND MOUNTING INSTRUCTIONS

STEP 1 | INSTALL REFLECTOR

Screw the reflector onto the end of the bent arm. Ensure the set screw on the reflector's collar is facing down. Secure the reflector to the arm by tightening the set screw using the Allen wrench provided. (Fig. 1)

STEP 2 | INSTALL BULB

Install the bulb provided and plug luminaire in. Turn the dimmer dial to confirm proper function. If further work is needed, be sure to unplug the luminaire before proceeding.
